

<b>Product</b>	<b>Wheatgrass Powder (EU) Organic</b>
<b>Deutsch</b>	Weizen gras Pulver (EU) BIO
<b>Nederlands</b>	Tarwegras(EU) Biologisch
<b>Latin</b>	Triticum Aestivum
<b>Country of Origin</b>	Germany
<b>Article Number / Artikelnummer</b>	40069
<b>Issue date / Ausgabedatum</b>	08-04-2021
<b>Reference Code / Referenznummer</b>	20210608
<b>Control Body Number</b>	NL-BIO-01
<b>HS-Code</b>	12129995

<b>NUTRITIONAL INFORMATION</b>	<b>Per 100g</b>	<b>Units</b>
<b>Energy</b>	<b>1095 / 264</b>	<b>Kj/Kcal</b>
Fat	1.8	g
Of which saturates	0.3	g
Of which unsaturates	1.1	g
Carbohydrate	24	g
Of which sugars	8.4	g
Fibre	47	g
Protein	15	g
Salt	0.04	g
Vitamin A	306	µg
Vitamin C	23	mg
Calcium	341	mg
Iron	16	mg
Zinc	1.9	mg
Copper	0.5	mg

*We periodically review our nutrition information based on a risk assessment to account for seasonal variability, growing condition and other factors that cause nutrition result to vary. Please find our updated TDS*

<b>BRIEF DESCRIPTION</b>	Wheatgrass powder is produced from the leaves of the commonly known plant - Triticum Aestivum. Our wheatgrass is grown on the fertile plains in Europe, and is are harvested whilst still young to capture the peak nutritional essence of the plant. It is then processed at one of the largest, highly innovative, and most efficient dehydration facilities in Europe. The final processing step involves milling wheatgrass into a fine powder form. It takes 5kg of fresh leaves to produce 1kg of powder.
<b>INGREDIENTS</b>	100% Organic Wheatgrass
<b>SUGGESTED USE</b>	3-5g per day. Please consult your doctor before taking any nutrient-dense products.
<b>PRODUCTION PROCESS</b>	Harvesting young wheatgrass - cutting - pre-drying - dehydrating - separating - Milling – sieving – packaging – sifting – grinding - sieving - packaging
<b>SHELF LIFE &amp; STORAGE</b>	3 years from manufacture date. Store in a cool, dry place.

#### **AUTHORISED HEALTH BENEFITS BASED ON MICRONUTRIENTS**

Micronutrients in Wheatgrass Powder (EU) contribute to:

normal iron metabolism	normal muscle function
normal mucous membranes	normal neurotransmission
protection of cells from oxidative stress	normal function of digestive enzymes
normal vision	normal protein synthesis
normal function of the immune system	normal hair pigmentation
process of cell specialisation	normal skin pigmentation
normal metabolism of vitamin A	normal growth and development of bone in children
normal function of bones	normal cognitive function
normal function of gums	normal formation of red blood cells and haemoglobin
normal function of skin	normal oxygen transport in the body
normal function of teeth	reduction of tiredness and fatigue
normal energy-yielding metabolism	normal iron transport in the body
normal functioning of the nervous system	normal cognitive development of children
normal psychological function	normal DNA synthesis
normal blood clotting	normal acid-base metabolism
normal function of blood vessels	normal carbohydrate metabolism
normal fertility and reproduction	normal metabolism of fatty acids
normal macronutrient metabolism	maintenance of normal connective tissues

*These approved health benefits are based on the detailed nutritional composition of the product we supply and in compliance with regulation (EC) No 1924/2006. These health benefits may not be applicable to similar products from other suppliers.*

#### **ALLERGEN STATEMENT**

We hereby certify that Wheatgrass powder (EU) sold by VehGro B.V. does not contain any substances causing allergies or intolerances as ingredients. The list of allergens which are likely to cause adverse reactions in susceptible individuals is provided in Annex II of Regulation (EU) No 1169/2011. Please note that this statement is based on the information provided by the manufacturer of the product.

#### **AUTHENTICITY**

Organic Wheatgrass Powder (EU) is 100% natural and does not contain any additives such as sugars, acids, colorants, preservatives, etc.

#### **GMO FREE**

Organic Wheatgrass Powder (EU) is not subject to genetic modifications. Process controls are in place to ensure no accidental contamination with genetically modified materials, or materials derived thereafter, can occur. We hereby certify that the product is not subject to labeling under EU Regulations 1829/2003/EC and 1830/2003/EC on genetically modified food and feed.

#### **PESTICIDES**

Organic Wheatgrass Powder (EU) complies with the requirements outlined in Council Regulation (EC) No. 834/2007 (and consecutive amendments). During the manufacturing process the product and the packaging materials are not exposed to pesticides or pesticide residues. Pesticides are not stored on site, nor used in the manufacturing or warehousing areas.

#### **IRRADIATION**

The product has not been irradiated and complies with the EU regulation 1999/3/EC.

#### **BSE STATEMENT**

Organic Wheatgrass Powder (EU) is produced exclusively from plant source, and does not contain any components from animal origin. It has not been derived from any animal source, and has not come into contact with any components of animal origin.

#### **RESIDUAL SOLVENTS**

No residual solvents are used in the manufacturing process.

#### **LEVEL OF UNDESIRABLE SUBSTANCES**

The strictly controlled production process of Organic Wheatgrass Powder (EU) ensures that the undesirable substances levels (heavy metals, PAH, mycotoxins, etc.) are below the limits identified by EU legislation (Commission regulation No 2073/2005, No 1881/2006 and consecutive amendments), including the recommendations provided by EFSA on food contaminants.

#### **ANIMAL TESTING STATEMENT**

VehGro B.V. confirms that we do not conduct or commission animal testing of any products.

#### **DISCLAIMER**

The information contained herein is based on the present state of our knowledge and is intended to describe our product from the point of safety requirements. Therefore, it should not be construed as guaranteed specific properties of the product described. Our product specification may be subject to change without notice.

This is an agricultural product; therefore, some batch variation may occur in terms of colour, flavour, odour, appearance and composition based on the growing conditions and seasonal variability.

The nutritional information provided in this document is based on nutritional testing and on average, as required by regulation (EC) No 1169/2011. The information is not meant to ensure warranty of characteristics. It comes without commitment and is not valid for any claim of warranty and product liability respectively.
