<b>Control Body Number</b>	NL-BIO-01
<b>HS-Code</b>	11063090

**BRIEF DESCRIPTION**

A deep purple berry harvested in the pristine conditions of Patagonia Southern Chile, the Maqui Berry is celebrated for its high content in vitamins, dietary fibres, protein, antioxidants and anti-inflammatory compounds. Traditionally used by natives as a natural medicine, Maqui Berry has advanced in modern diet as a fine “superfood”. Hand-picked from the Maqui shrub, only the finest Maqui berries are selected and preserved through a natural process by rapid freezing and drying them in a high vacuum. The dried Maqui Berries are ground into a fine Maqui Berry powder. Maqui Berry powder bodies a naturally preserved wealth of minerals, proteins, vitamins and fibre.

**INGREDIENTS**

100% Organic Maqui Berry Pulp (No Skin)

**SUGGESTED USE**

3-5g per day. Please consult your doctor before taking any nutrient-dense products. **PRODUCTION**

**PROCESS**

Raw material reception > Lyophilization > Milling > sieving > packaging > Metal Detection > Delivery

**PACKAGING/ NET WEIGHT**

Food Grade Polyethylene bag/ 5Kg

**SHELF LIFE & STORAGE**

3 years from manufacture date. Store in a cool, dry area, do not freeze, and keep away from strong direct sunlight

<b>NUTRITIONAL INFORMATION</b>	<b>Per 100g</b>	<b>Units</b>
<b>Energy</b>	<b>1427/342</b>	<b>Kj/Kcal</b>
Fat	9.2	g
Of which saturates	1.3	g
Of which mono unsaturates	3.5	g
Of which polyunsaturates	4.0	g
Carbohydrate	41	g
Of which sugars	35	g

Phosphorus	174	mg
Magnesium	86.9	Mg
Iron	5.0	Mg

We periodically review our nutrition information to account for seasonal variability, growing condition and other factors that cause nutrition result to vary. Please find our updated TDS.

#### **AUTHORISED HEALTH BENEFITS BASED ON MICRONUTRIENTS**

Micronutrients in Maqui Berry Powder contribute to:

normal energy-yielding metabolism	reduction of tiredness and fatigue
normal function of cell membranes	electrolyte balance
maintenance of normal bones	normal energy-yielding metabolism
maintenance of normal teeth	normal functioning of the nervous system
development of bone in children	normal muscle function
normal protein synthesis	normal psychological function
maintenance of normal teeth	maintenance of normal bones
normal iron transport in the body	process of cell division
normal cognitive function	normal oxygen transport in the body
normal formation of red blood cells and haemoglobin	cognitive development of children
normal function of the immune system	

*These approved health benefits are based on the detailed nutritional composition of the product we supply. These health benefits may not be applicable to similar products from other suppliers*

#### **ALLERGEN STATEMENT**

We hereby certify that Maqui Berry powder sold by Vehgro b.v. does not contain any substances causing allergies or intolerances as ingredients or by possibility of cross contamination. The list of allergens which are likely to cause adverse reactions in susceptible individuals is provided in Annex II of the Regulation (EU) No 1169/2011. Please note that this statement is based on the information provided by the manufacturer of the product.

#### **AUTHENTICITY**

Organic Maqui Berry Powder is 100% natural and does not contain any additives such as sugars, acids, colorants, preservatives, etc.

#### **GMO FREE**

Organic Maqui Berry Powder is not subject to genetic modifications. Process controls are in place to ensure no accidental contamination with genetically modified materials, or materials derived thereafter, can occur. We hereby certify that Organic Maqui Berry Powder is not subject to labeling under EU Regulations 1829/2003/EC and 1830/2003/EC on genetically modified food and feed.

#### **PESTICIDES**

Organic Maqui Berry Powder complies with the requirements outlined in Council Regulation (EC) No. 834/2007 (and consecutive amendments). During the manufacturing process the product and the packaging materials are not exposed to pesticides or pesticide residues. Pesticides are not stored on site, nor used in the manufacturing or warehousing areas.

#### **IRRADIATION**

The product has not been irradiated and complies with the EU regulation 1999/3/EC.

#### **BSE STATEMENT**

Organic Maqui Berry Powder is produced exclusively from plant source, and does not contain any components from animal origin. It has not been derived from any animal source, and has not come into contact with any components of animal origin.

#### **RESIDUAL SOLVENTS**

No residual solvents are used in the manufacturing process.

#### LEVEL OF UNDESIRABLE SUBSTANCES

The strictly controlled production process of Organic Maqui Berry Powder ensures that the undesirable substances levels (heavy metals, PAH, mycotoxins, etc.) are below the limits identified by EU legislation (Commission regulation No 2073/2005, No 1881/2006 and consecutive amendments), including the recommendations provided by EFSA on food contaminants.

#### ANIMAL TESTING STATEMENT

Vehgro b.v. confirms that we do not conduct or commission animal testing of any products.

#### DISCLAIMER

The information contained herein is based on the present state of our knowledge and is intended to describe our product from the point of safety requirements. Therefore, it should not be construed as guaranteed specific properties of the product described. Our product specification may be subject to change without notice.

This is an agricultural product; therefore, some batch variation may occur in terms of colour, flavour, odour, appearance and composition based on the growing conditions and seasonal variability.

The nutritional information provided in this document is based on nutritional testing and on average, as required by regulation (EC) No 1169/2011. The information is not meant to ensure warranty of characteristics. It comes without commitment and is not valid for any claim of warranty and product liability respectively.
